Docket No.: MGP-104US

**DECLARATION OF DR. MICHAEL J. GROVES UNDER RULE 132**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

I, Dr. Michael J. Groves, hereby declare that:

1. I am a co-inventor of the patent application identified above.
2. I am a listed co-author of the publication titled *The Influence of Oleic Acid on the Formation of a Spontaneous Emulsion*, S.T.P. Pharma Sciences, 10 (4) 341-344 (2000) and understand that this publication has been cited against this patent application.
3. The other author, Y. Li, of the publication identified above, was working under my direction and supervision as a graduate student during my tenure as a professor at the University of Illinois at Chicago. Y. Li's work was in the nature of a Technician; she carried out tests under my direction.
4. The subject matter disclosed in the publication was derived from the applicants (i.e., Dr. Kamel Egbaria and me) and was not invented by Y. Li, notwithstanding the listed authorship of the publication.

Application No. 09/943,687

MGP-104US

5. To the best of my knowledge, the inventorship is of the above-identified application is correct.

I hereby declare that all statement made herein are of my own knowledge and are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful and false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful and false statements may jeopardize the validity of the above-identified application or any patent issued thereon.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "M J Groves", written over a horizontal line.

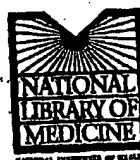

Dated: February 3, 2004

Dr. Michael J. Groves
